

# K2 Wind Power Project Community Liaison Committee

**Wednesday, May 28, 2014**

6:30 p.m. – 8:30 p.m.

84685 Bluewater Hwy 21, north of Goderich (formerly St. Joseph's School, Kingsbridge)

## Open to the General Public for Viewing

### About the CLC

A Community Liaison Committee (“CLC”) has been established as a forum to exchange ideas, share information and provide regular updates regarding construction, installation, use, operation, maintenance and retirement of the K2 Wind Power Project (“the Project”). The 270 megawatt wind Project received its Renewable Energy Approval in July 2013.

Stantec Consulting Ltd. will coordinate the CLC meeting. All meeting materials (minutes, presentations, reports, etc.) will be made available for public review on the Project website at **www.K2Wind.ca**. The agenda for the meeting will be posted on the Project website at least one week in advance. The CLC meeting is open to the general public for observation.

For more information on the CLC please contact:

Herb Shields, CLC Facilitator

Stantec Consulting

Phone: 905-385-3234

---

For questions or requests for additional information not pertaining to the CLC, please contact the K2 Wind Power Project Team at:

E-mail: **K2Wind@capitalpower.com**

Telephone: 519-441-1067

### About the Project

- K2 Wind Ontario is a partnership between Samsung Renewable Energy, Inc. (Samsung), Pattern Energy Group LP (Pattern Development) and Capital Power LP (Capital Power).
- K2 Wind will have the capacity to generate 270 megawatts of renewable electricity from 140 Siemens model SWT-2.3 wind turbines. Commercial operation is expected to commence in mid-2015.
- Hundreds of construction jobs created during the 18 month construction period.
- 18 to 24 permanent full-time employees will be hired for operations, generating \$1.5 million of employment income annually. There will be \$6 - \$7 million in direct spending into the local economy annually.
- K2 wind power project will generate clean, renewable energy equal to the needs of ~100,000 Ontario homes each year.
- In 2013, K2 Wind and the Township of ACW signed a Community Benefits Fund Agreement that will deliver an annual payment of approximately \$700,000 to the ACW over the life of the Project.
- More information about the Project is available at **www.K2wind.ca**
